COVID-19

HEALTH AND SAFETY

INFORMATION

Dear Guest, Dear Partners,

- With our mission of providing services that always exceed expectations since the very first day, we place utmost importance on the health and safety of our guests and employees and utilize all our means in this regard. Since the first outbreak of the global Covid-19 (Coronavirus) pandemic, we have closely been following the World Health Organization and relevant public authorities and have been implementing the given guidelines. We are ensuring that our service standards are compliant in term of safety and health, and are updated according to any new recommendations from authorities.
- In addition to the high standards that we apply to our procedures concerning the safety of our guests, food and water safety, community health, hygiene, environmental safety, waste management and occupational health and safety, preventive measures against the epidemic have been taken and immediately been implemented by our internal and external team of experts to provide safer accommodation.

COVID-19

HEALTH AND SAFETY

INFORMATION

Employees

- Our employees' temperatures are taken and recorded when they enter and exit the premises. If they show any symptoms of Covid -19 they are immediately checked by the on-site doctor.
- Service vehicles, work areas, common areas and offices used by employees are arranged according to social distancing, the intervals for cleaning and disinfection are increased and all necessary personal protective equipment is provided.
- Employees with the flu, cold or any illness are given a sick leave and not allowed to return to work without the approval of the on-site doctor.
- The current status of all our employees is closely monitored as per the "Covid-19 Health Declaration and Commitment".
- In addition to the standard food safety and general hygiene trainings given to our employees, awareness and hygiene trainings are provided regularly within the scope of Covid-19.
